Renews her Youth.

Now I am free from all pain and soreness, and am able to do all my own housework. I owe my thanks to Electric Bitters for having renewed my youth, and removed completely all disease and pain."

Anderson's Ambition.

WASHINGTON, D. C. Dec. 16.—It has leaked out that Representative C. M. Anderson of Ohio is quietly working for the place of Sergeant-at-Arms of the next House. This is a parallel tactic with those successfully employed by Mr. Leedom when he was first selected for the place. He, too, was in his last term and enabled to canvass his fellow-members effectively. Leedom is also a candidate for the position. It is possible that Ohio may not be allotted the office at all.

After pork has been in pickle ten days slice it up and half fry it and put it down in its own grease and set the jars in a cool place and the meat will keep nicely and be ready for use at any time by completing the cooking. To freshen salt pork for frying soak it overnight, after being cut in slices, in milk and water (skimmed milk, sour or sweet, or buttermilk), rinse thoroughly then fry. Sometimes rolling the slices in cornmeal adds to the taste of the dish. Ham partially cooked in slices and put down in jars, with added lard if needed to cover thoroughly, will keep through the summer perfectly.

Free Trade.
The reduction of internal revenue and the taking off of revenue stamps from Proprietary Medicines, no doubt has largely benefited the consumer, as well as relieving the burden of home manufacturers. Especially is this the case with Green's August Flower and Boschee's German Syrup, as the reduction of thirty-six cents per dozen, has been added to increase the size of the bottles containing these remedies, thereby giving one-fifth more medicine in the 75 cent size. The August Flower for Dyspepsia and Liver Complaint, and the German Syrup for Cough and Lung troubles, have perhaps, the largest sale of any medicines in the world. The advantage of increased size of the bottles will be greatly appreciated by the sick and afflicted, in every town and village in civilized countries. Sample bottles for 10 cents remain the same size.

DYSPEPSIA

Causes its victims to be miserable, hopeless, confused, and depressed in mind, very irritable, languid, and drowsy. It is a disease which does not get well of itself. It requires careful, persistent attention, and a remedy to throw off the causes and tone up the digestive organs till they perform their duties willingly. Hood's Sarsaparilla has proven just the required remedy in hundreds of cases.

"I have taken Hood's Sarsaparilla for dyspepsia, from which I have suffered two years. I tried many other medicines, but none proved so satisfactory as Hood's Sarsaparilla." Thomas Cook, Brush Electric Light Co., New York City.

Sick Headache.
For the past two years I have been afflicted with severe headaches and dyspepsia. I was induced to try Hood's Sarsaparilla and have found great relief. I cheerfully recommend it to all." Mrs. E. F. AVANABLE, New Haven, Conn.

Mrs. Mary C. Smith, Cambridgeport, Mass., writes: "I suffer from dyspepsia and sick headache. I have taken Hood's Sarsaparilla and feel much better than I have for years."
